

## Structure of Virtual Recruitment Fairs

- Brief introduction
- Each program will get its own breakout room.
- Students will be able to choose a breakout room, but there will be a cap on total group size (likely 15 per room since some programs may have up to 3 representatives) to allow for meaningful conversation.
- At the 20-minute mark, students will be prompted to move to a different breakout room. This will allow students to visit with 9 programs during the 3-hour period. Based on our preliminary interest polls, that should allow students to visit up to half of the programs attending each fair, and it should allow programs to meet a wide variety of students.
