Sourav Sengupta

AADPRT Position: Chair, Membership Committee

Sourav Sengupta, MD, MPH, is Training Director for the Child and Adolescent Psychiatry Fellowship at the Jacobs School of Medicine Department of Psychiatry at the University at Buffalo. He completed his undergraduate education at Duke University and medical and public health training at Tufts University. He completed his general psychiatry residency, child and adolescent psychiatry fellowship, and public psychiatry fellowship at the Western Psychiatric Hospital at the University of Pittsburgh Medical Center, where he served as Chief Resident for Education. He is active in pediatric collaborative care, educating, consulting with, and coordinating mental health care with pediatric primary care clinicians through New York State's Project TEACH, one of the nation's largest child psychiatry access program. His areas of interest include medical education, integrated and collaborative care, family assessment and interventions, and clinical neuroscience education.
