

Prisma Health/University of South Carolina School of Medicine Greenville (Greer) Psychiatry Residency

Prisma Health/University of South Carolina School of Medicine Greer Psychiatry Residency Program is located in upstate, South Carolina. As Greenville's close neighbor, Greer is recognized as a highly desirable destination for young professionals and their families. Our program is community-oriented and collaborative with other disciplines and specialties. We take a holistic approach to patient care using the biological-psychological-social-cultural-spiritual model, both for formulation and treatment. We emphasize evidence-based medicine. We are excited to play a role in reducing stigma and addressing the social determinants of health associated with mental health using an integrative care approach. Our faculty will strive to equip residents with the tools to help them flourish in their careers and model the vision of our health system which is to Inspire health. Serve with compassion. Be the difference.
