Sheldon Benjamin, MD

AADPRT Position: Governance Board Liaison, Academic Psychiatry

Sheldon Benjamin, MD, AADPRT representative to the Governance Board of our journal, *Academic Psychiatry*, is Professor of Psychiatry and Neurology at the University of Massachusetts Medical School (UMMS), where he has served as Director of Neuropsychiatry since 1986, specializing in brain-behavior problems. He is currently the Interim Chair of Psychiatry, and has been Director of the UMMS Neuropsychiatry Fellowship since its founding in 1989, Director of the Adult Psychiatry Residency Program since 1995, and Co-director of the Combined Neurology/Psychiatry Residency Program since its founding in 1997. He is one of the psychiatry directors of the ABPN, is board certified in both Neurology and Psychiatry and holds United Council on Neurological Subspecialties certification in Behavioral Neurology and Neuropsychiatry. He is past president of the American Neuropsychiatric Association and past president of AADPRT.
