

American Association of Directors of Psychiatric Residency Training

Biosketch

Will Newman, MD

AADPRT Position: Chair, Subspecialty Caucus

Dr. Newman received his M.D. from Vanderbilt University. He completed his general psychiatry residency at Washington University in Saint Louis and his forensic psychiatry fellowship at the University of California, Davis. Dr. Newman is a Professor of Psychiatry at Saint Louis University (SLU), where he is Vice Chair for Education. He is also the medical director of adult inpatient psychiatric services at SLU Hospital and program director of the forensic psychiatry training program at SLU. Dr. Newman serves as an active member of the American Academy of Psychiatry and the Law (AAPL), a national organization of forensic psychiatrists. Within AAPL, Dr. Newman has served on numerous committees, including as long-term Chair of the Membership Committee. Dr. Newman is the 2019-20 AAPL President.
