AADPRT Committee/Caucus Chair Nomination Process*

When a committee chair position is to become available (near the end of the three-year term of current chair or due to unforeseen circumstances), the current chair sends a call for nominations to current committee members, encouraging self-nominations in addition to peer nominations. After the nomination period (usually two weeks), the chair confers with the president-elect about the nominees and chooses one.

*Excludes Nominating and ABPN/ACGME Liaison Committees
