8:00 am – 5:00 pm	<p>BRAIN Conference (Separate registration)</p> <p>New for BRAIN 2018: Choose your own adventure!</p> <ul style="list-style-type: none"> - “Classic”: This track will be dedicated to introducing some of the core NNCI teaching modules. Participants will receive Facilitator’s Guides, experience each module from the learners’ perspective, and reflect on what it would be like to implement the sessions on their own. - “Artisanal”: For those ready to take their neuroscience and teaching game to the next level, this track will include an experiential workshop on Effective Scientific Communication. Through a series of interactive exercises, we will lead participants through the process of creating their own “This ‘Stuff’ Is Really Cool” talk. Participants should come with a favorite neuroscience topic in mind! <p><i>Note: tracks will only apply to the morning half of the conference.</i></p> <p><i>During the registration process, you will need to select one of the two aforementioned tracks. Room assignments will be determined from your selection so requests to make changes after completing your registration will not be accepted.</i></p>
