

AADPRT Meeting Participation Policy

The American Association for Directors of Psychiatric Residency Training's (AADPRT) Participation Policy is to promote an environment of mutual respect, well-being, and collegiality at its meetings. AADPRT values and benefits from the diverse opinions its members and other conference attendees hold on issues with which the Association and the psychiatric profession are confronted. All individuals attending the AADPRT Annual Meeting agree to conduct themselves in a manner appropriate for conference attendees. This includes respect for the intellectual property of others, proper display and use of meeting badges, and the avoidance of inappropriate behavior towards others. Participants agree to respect the views of others and to exhibit professionalism and collegiality. AADPRT reserves the right to remove meeting access rights of any individual violating this policy and will not provide a refund. By registering for this meeting, you agree to abide by the Participation Policy as described above.

Reporting Procedure

Complaints, reports, or inquiries may be made under this policy on a confidential or anonymous basis. They should describe in detail the specific facts demonstrating the basis for the complaints, reports or inquiries. They should be directed to the AADPRT Immediate Past President or Incoming Program Chair. If those persons are implicated in the complaint, report, or inquiry, it should be directed to the AADPRT President. The AADPRT Steering Committee will conduct a prompt, discreet, and objective review or investigation consistent with existing procedures for administering complaints as applicable. Complainants must recognize that AADPRT may be unable to fully evaluate a vague or anonymous general complaint, report, or inquiry.
