

Samaritan Health Services, Corvallis OR

Our suburban, rural-adjacent community-based training program aims to train community-based child and adolescent psychiatrists, capable of thriving in a team-based environment and dedicated to the wellbeing of the patient, their family, the clinician, and the communities we serve. Samaritan Health Services' mission statement is "Building Healthier Communities Together" with an overall vision of serving our communities with PRIDE, outlining the core values of Passion, Respect, Integrity, Dedication, and Excellence. SHS serves over 250,000 residents, primarily in Benton, Linn, and Lincoln Counties of Oregon.
