Call for Abstract Review Committee

Please consider nominating yourself or others to the Abstract Review Committee for the 2023 AADPRT Annual Meeting. We want a committee that represents the diversity of AADPRT and ensures that the selected workshops and posters do the same. Each committee member will serve on either the workshop or poster sub-committee. Committee members will review and rate abstracts with a provided rubric on their own and then meet as a subcommittee to make decisions. In order to provide adequate time for the Abstract Review Committees to complete their work, we have moved up the deadline for workshop and poster submissions this year. The review process will take place over 4 weeks (an increase from 2 weeks last year) from September 21 – October 20. Diversity will be a priority for committee membership. This is a great way to get more involved in AADPRT and add a national committee to your CV. **Self-nominations are encouraged! Link to submit is below.**

FAQ

- **Can I be on the committee this year if I was on the committee last year?**
