Program Administrator Symposium

Fostering conversations, adapting to changes

Why should program administrators attend?

The AADPRT Annual Meeting is the *only* national meeting where program administrators (PAs) in psychiatric residency training get targeted professional development and learn from experienced colleagues in programs of ALL sizes and settings throughout the nation. It's an immersion into the knowledge and best practices of what makes a psychiatric residency training program a well-oiled machine.

What to expect

In a rapidly changing environment, opportunities to learn through conversations and shared experiences are paramount. The 2024 Annual Meeting allows for continued exchange of professional success stories and how to address challenges to elevate the bar of psychiatric residency training. Come learn best practices and what's trending among the most relevant topics:

- Anti-racism, diversity, equity, inclusion
- Recruitment (ERAS, NRMP, SOAP, the Match)
- Onboarding
- IMGs
- C-TAGME certification
- Resident problems (documentation, probation, dismissal, etc.)
- Wellbeing
- Professionalism
- Leadership skills
- And much more!

AADPRT ur time is now
ΑΨRT
changing psychiatric residency training
2024 Annual Meeting

Structure

PA Symposium:

- Plenaries
- Coaching/orientation for all career stages (new PAs, mid-career, late-career)
- Workshops
- 10- and 20-minute tips/best practices.

Annual Meeting (PAs encouraged to attend):

- Plenaries featuring highly demanded, national-level speakers
- 60+ workshops on the most contemporary topics in psychiatric residency training

We hope you will find the experience personally and professionally fulfilling and look

forward to seeing you in Austin, Texas!
