Website/Databases for Psychiatry Residency Program Directors
Erica Shoemaker, MD, MPH, Keck School of Medicine at University of Southern California
Updated August 2014

Name	Address (internal)	Sponsoring Agency	Function
WebADS mandatory	https://www.acgme.org/ads	ACGME	*Maintain ACGME certification of your program* Contains: • Detailed program description: resident roster, faculty roster, scholarly activity for residents and fellows, rotation schedule, training sites, responses to citations (replaced the paper "PIF") • Annual Surveys of Faculty • Annual Surveys of Residents • Min. 2x/year entry of residents' progression on milestones
preCERT mandatory	https://application.abpn.com/precert/Logon.aspx	ABPN	*Document that trainees/graduates are eligible to sit for their Board examinations* • Enter residents' rotations, completion of required experiences • Enter CSE/CSV dates/examiner/age of patients Graduates will use this same database system for their maintenance of certification
FREIDA	https://login.ama-assn.org/account/login	AAMC/ AMA	*Help applicants find you* Potential applicants read description of your program and application instructions
ERAS	https://www.aamc.org/services/eras/programs/	AAMC	*Make the residency application process easier and cheaper for applicants and programs* • Stores applicants'

			materials on a server, sends them (electronically) to each program to which they wish to apply. • Receiving institutions can view/download applicants' info (application forms, CV, transcript, letters of recommendation) here • Writers of letters of recommendation upload the letter here
NRMP Match	https://r3.nrmp.org/view LoginPage	NRMP	*Make the match process as fair as possible* Applicants submit their rank order list, program submit theirs, and a magical computer program strives to make everyone sort of happy
GMETrack	https://services.aamc.org /gme/admin/login/index. cfm?fuseaction=login	AAMC/AM A	*Help AMA/AAMC monitor career choices made by med school grads.* Contains: • Program Survey (describe program) • Resident Survey (like WebADS resident roster, but includes resident med school, etc)
AADPRT	http://www.aadprt.org	AADPRT	*Help PD's and PC's develop curricula and administer their program. Request access to ListServs*

Glossary of Sponsoring Agencies:

AAMC – American Association of Medical Colleges, advocacy organization for academic medicine

ABPN – American Board of Psychiatry and Neurology, agency that determines whether a psychiatrist is board certified

ACGME – Accreditation Council for Graduate Medical Education, accredits residency and fellowship programs

AMA – American Medical Association, advocacy organization for physicians

NRMP – National Resident Matching Program, runs computer algorithm that comes up with the best possible match between programs and applicants.
