Purpose of the Nominating Committee

The Nominating Committee (NC) chooses AADPRT members for the member-at-large position, as well as the Steering Committee (SC) leadership track, which includes the 2029 program chair position.

Members of the Nominating Committee

The past president chairs the five-member committee consistent with our bylaws. In addition to the chair, members of the NC are:

- Two (2) members at large chosen at random from the general membership
- Two (2) of five (5) committee/caucus chairs:
 - Justice Equity Diversity Inclusion (JEDI) committee chair
 - International Medical Graduate (IMG) committee chair
 - Rural caucus chair or Community caucus chair
 - Membership Chair
 - Organizational Equity Committee (OEC) chair

The two chairs selected out of this group should be the individuals who have been on their respective committee the longest with a rotation amongst the committees. The committee is re-constituted each year per the process above.
