

## **University of Central Florida/HCA Healthcare GME (Gainesville)**

We are happy that you are considering UCF/HCA Healthcare GME Consortium (Gainesville) Psychiatry Residency for your training! We are dedicated to training psychiatrists that will be able to provide quality healthcare to all patients. We are a community-based residency program with a University Affiliation. Residents will train in a variety of patient settings to provide optimal training experiences. Our training sites include a private hospital, community mental health center, and state hospital. We offer residents an opportunity to learn under knowledgeable faculty who are dedicated to teaching excellence in clinical psychiatry, education, and research. We are currently in our 5th year having just graduated our first class with approval for 8 residents per year.
