

Oregon Health & Science University (OHSU) Adult Psychiatry Residency Program

Welcome from the OHSU Department of Psychiatry Residency Training Program! A successful career in psychiatry requires three ingredients: access to a diverse patient population, skill in caring for those patients and a professional identity. OHSU's extensive network of patient care, research and educational resources can provide you with these important assets on your journey towards a successful residency and career. We will be holding virtual happy hours 5:30PM to 6:30PM (PST) for interested applicants to meet with our residents and learn more about our program on the following dates: August 3rd August 17th August 24th August 31st September 7th If you are interested in attending one of these, email Kim Taylor (taylorki@ohsu.edu) and Kim Henne (henne@ohsu.edu) with your date of interest and they will send you the log in information.
