

# American Association of Directors of Psychiatric Residency Training

## **Biosketch**

### **Anna Kerlek, MD**

#### **AADPRT Position: Presidential Appointee**

Dr. Anna Kerlek is a child and adolescent psychiatrist who works at The Ohio State University College of Medicine and Nationwide Children's Hospital in Columbus, OH.

She spends the majority of her clinical time providing care on the adolescent inpatient unit at Nationwide Children's Hospital, as the Medical Director of that unit. In addition, she directs the child and adolescent psychiatry fellowship, which has grown tremendously in recent years with six fellows per year.

Dr. Kerlek is involved in the national child psychiatry organization (AACAP) as the Co-Chair of the Inpatient, Residential and Partial Hospitalization Committee and is a current active member and past Chair of AADPRT's Recruitment Committee. She is honored to have been selected to Co-Chair the ACGME Revisions Taskforce and a Presidential Appointee for the Executive Committee 2026-2027.
