

## Committee Spotlight

**Name:** Mentorship and Professional Growth

**Chair:** Narpinder Malhi, MD

**Charge:**

1. Develop a robust system to identify mentors.
2. Develop appropriate educational venues and resources to help train mentors and mentees.
3. Offer virtual forums throughout the year on mentorship specific topics.

### Initiatives and projects:

- Continue to develop a better system to pair mentors and mentees.
- Offer resources and training for mentors and mentees on mentorship, sponsorship and leadership skills.
- Project to develop some consensus on positive practices that help APDs feel satisfied and professionally fulfilled in their roles.
- Offering resources at the annual meeting to trainees interested in becoming a PD.

### How do you join the committee?

Just email [Narpinder!](#)

### What skills are you looking for in new members?

We are looking for creative and energetic members who will be able to collaborate with other committee members on committee projects.

### What is the time commitment for committee members?

We meet once a month and may work on projects in between meetings if applicable.
