

## **University of Illinois College of Medicine - Peoria**

The University of Illinois College of Medicine at Peoria provides residents with unsurpassed training in all aspects of psychiatry. We provide a welcoming training environment that balances rigorous education with personal and professional growth. Our program is tailored to meet the individual interests and needs of each resident in a manner that is simultaneously challenging, supportive, and respectful. Our graduates become outstanding, well-rounded clinicians capable of achieving their career goals and meeting aspirations. We believe the best marker of success is determined by the preparedness and happiness of each and every one of our graduates. We invite you to learn more.
