

Call for Nominations: Abstract Review Committee

Please consider nominating yourself or others for the Abstract Review Committee for the 2026 AADPRT Annual Meeting. We want a committee that represents the diversity of AADPRT and ensures selected workshops and posters do the same. Each committee member will serve on either the Workshop or Poster Subcommittee. Committee members will review and rate abstracts on their own with a provided rubric and then meet as a subcommittee to make decisions. Abstract reviewer selection takes place September 2-4, 2025. This is a great way to get more involved in AADPRT with a limited time commitment as well as add a national committee to your CV. **Self-nominations are encouraged!**

FAQs

- **Can I be on the committee this year if I was on the committee last year?**
Yes, some past members will be selected again, however, to add new voices to the committee, we ask that persons do not nominate someone who served the past three consecutive years.
- **Can I serve on the committee if I am planning to submit an abstract?**
Yes, however, committee members are expected to recuse themselves from reviewing or discussing any abstracts where they might have a conflict of interest.
